Dear Madam/Sir,

The purpose of this letter is to advise the official agency and distribution channels of Flowserve Limitorque electric and pneumatic actuators in the CIS countries.

Our official, and exclusive, agent for Hungary and Belarussia is VT Veres Kft (Hungary/Kecskemet) and for Ukraine, its affiliated company, VT Veres-Ukraine (Ukraine/Kiev): VT Veres Kft is also our non-exclusive agent for the Oil and Gas industry is Russia

VT Veres has been successfully working in these territories since October 1998 and has staff trained and accepted by Flowserve with many years of experience in valve and electronic/pneumatic actuator sizing, installation, commissioning and servicing. The company has a stable financial background and is accredited with the ISO 9001 quality system audited by DNV.

Please be advised that the company called Yurkanvit (represented by Mr. Andrew Krimov) is not, and has never been, an official distributor for Flowserve Limitorque products in any country.
